

Hello, My name is Austin Rahn and along with my co-chairman Cameron Green we are contacting you on behalf of the National Lutheran Fraternity at Iowa State University, Beta Sigma Psi, where we are the Recruitment Chairmen and Scholarship Coordinators for 2016. Just in case you are not familiar with us, Beta Sigma Psi provides a unique opportunity for students to experience all of the positives of Greek life while remaining rooted in the Christian faith and is founded on three S's:

- **Spiritual** - We are associated with and highly involved in Memorial Lutheran Church here in Ames. We are also involved in the community and in various service organizations like Boys and Girls Club and Habitat for Humanity.
- **Scholastic** - We are consistently in the top 10 out of 33 fraternities on campus in terms of GPA. The All-Greek GPA at Iowa State is usually higher than the University-Wide GPA. Beta Sigma Psi also provides mentorship and free tutoring through the house and university.
- **Social** - We are fully active in all Greek activities such as Homecoming and Greek Week during the school year. Over the summer we also hold group events, including a canoe trip and a trip to see a Major League Baseball team.

Located in the heart of Iowa State's 'Greekland' our chapter house provides a comfortable and well kept home for our members. Cost of living at our chapter house is lower than university housing and located only a block from campus.

Attached you will find a copy of the letter with information about the scholarship we offer to incoming students called the Darryl Jahn Memorial Scholarship. This is a \$1,500 award with three recipients each year. It should only take a few minutes for students to apply for and also includes a brief interview with us during a visit, so it is a fairly easy process. Also, recipients of the scholarship are not required to join Beta Sigma Psi.

Please visit us and explore everything our chapter has to offer at:
