Beta Sigma Psi Lutheran Fraternity – Epsilon Chapter

Dear Pastor or Youth Coordinator,

As you know, when seniors go away to college they are often left without the familiar support of good role models such as Pastors, teachers, and family. Beta Sigma Psi, a Lutheran fraternity at Iowa State University, helps keep students connected to the Church during their academic career. We believe that growing faith and keeping sight of Christian values is important and should not be overlooked when students pursue academic excellence.

Because of that importance, we have built relationships with Memorial Lutheran Church and University Lutheran Church here on campus. Pastor David Beagley is the Assistant Pastor at Memorial and has been serving as our Pastoral Advisor since 2007. He leads prayer breakfast Bible studies and connects us with numerous service opportunities at the church and around the Ames area. This relationship has allowed our organization to solidify itself as one of the only faith-based fraternities on campus. This year, we are continuing our efforts to team up with our home churches to reach Lutheran high school seniors who are interested in coming to Iowa State.

Included in this mailing is the Darryl Jahn Memorial Scholarship, which is offered by the Alumni of Beta Sigma Psi. We award three $1500 scholarships to Lutheran Men who will be freshmen at Iowa State during the 2017-2018 school year. We ask that you mention this scholarship in your bulletin.

Also, please consider emailing us your 2016-2017 senior list to either of the emails listed below. We would love to send students more information about Beta Sigma Psi as well as information regarding programs available through our churches. We would like to thank you, and so many other congregations for helping us identify and reach out to Lutheran high school seniors every year. Because of your support and that of our alumni, our membership has continued to grow.

Thank you again for taking the time to promote the Darryl Jahn Memorial Scholarship and for providing us with your senior list. It is not necessary to indicate each senior's plans upon graduation but phone numbers are very helpful.

Brothers In Christ,
